Attending Institution (AI) & Test Center Establishment

(slide 1 of 2)

- College Board creates two identifiers for schools administering the SAT
 - An Attending Institution (AI) code that represents the unique identifier for the school.
 - A Test Center code which represents the location where testing will take place.
- Establishment is a two step process:
 - College Board will use the school entity data provided by MDE from the Secure Site to verify and/or assign Attending Institution (AI) codes to all schools
 - All schools will be notified and provided their AI code by **12/7/15**.
 - A test center code will be setup at the same time for the school location..
 - Schools that will be testing in off-site locations, must submit a request and complete a test plan by **1/15/16**. Details will be posted to the [College Board/Michigan website](http://www.collegeboard.org/Michigan) (<http://www.collegeboard.org/Michigan>) and shared via Spotlight in early November.

mme

CollegeBoard

Attending Institution (AI) & Test Center Establishment

(slide 1 of 2)

- Non-public schools should have received an email communication requesting confirmation of their intent to participate in SAT and MME testing.
 - Confirmation of testing intent is required by **11/6/15**
 - To confirm call (866) 870-3127 (select Option 1) or email michiganadministratorsupport@collegeboard.org
 - Provide your state assigned District and Building codes, the name of your school, and the names of the assessments you wish to administer.

mme

CollegeBoard

Pre-ID Labels & Test Materials – Initial Administration

(slide 1 of 2)

- College Board will determine your material order based on
 - The students Pre-ID'd in the Secure Site.
 - The students approved for accommodations via College Board's online system.
- Labels will be shipped to each school for all students who were Pre-ID'd so they may be affixed to student answer sheet and Student Data Questionnaire in advance of test day.
- College Board will ship a small overage of test materials to account for standby test takers, typically students who are last minute transfers into the school, etc.
 - These students must be Pre-ID'd in the Secure Site before testing and schools must generate a Pre-ID label onsite to affix to the answer sheet.
 - College Board will ship a supply of blank labels so schools can generate labels on site for standby test takers.

mme

CollegeBoard

Pre-ID Labels & Test Materials – Initial Administration

(slide 2 of 2)

- Students who miss the initial test administration, will be required to take the SAT on the makeup date.
- Test Center Supervisors and SSD Coordinators will receive an email reminding them of the makeup date with a link to request the necessary makeup materials.
- Test materials will be sent based on the counts provided in the [online form](#), Early Reporting Form- Absentees & Irregularities.
- Schools will need to generate labels for all students participating in the makeup administration.

mme

CollegeBoard

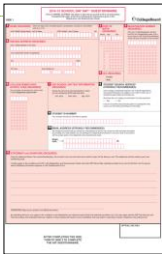

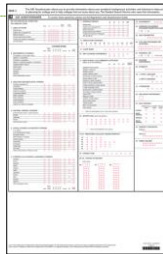

Student Data Questionnaires

- Each school will receive a shipment of Student Data Questionnaires (SDQ), instruction booklets, and pre-ID labels to be completed in advance of the test date.
- While completing the SDQ, students can choose to participate in the Student Search Service.
 - Student Search Service helps connect students with colleges, universities, and scholarship opportunities that match up with students' interests and needs.
 - Participating in Student Search Service is entirely optional.
- Instruction booklets must be distributed to each student
 - Contains instructions for completing the SDQ.
 - Contains important information about the SAT, such as Terms and Conditions.

Requesting Accommodations for Students with Disabilities

(slide 1 of 3)

- Accommodations are requested through the College Board's Services for Students with Disabilities (SSD) office using the [SSD Online System](https://www.collegeboard.org/students-with-disabilities/ssd-online) (<https://www.collegeboard.org/students-with-disabilities/ssd-online>).
- We encourage everyone to start early!
- Requests for accommodations should be submitted by the school's designated SSD Coordinator(s) by **February 16, 2016**.
- Any student that participated in other College Board assessments and received approved accommodations will not need to reapply unless their accommodation needs change.
 - This includes PSAT/NMSQT and Advanced Placement tests
- For students that have a temporary condition caused by injury or accident, do NOT submit via SSD Online. Instead, complete the Temporary Conditions Form available on our [website](#).

Requesting Accommodations for Students with Disabilities

(slide 2 of 3)

- If your school has not designated an SSD Coordinator, complete the [SSD Coordinator Form](https://www.collegeboard.org/students-with-disabilities/ssd-online/get-access) (<https://www.collegeboard.org/students-with-disabilities/ssd-online/get-access>) to request access to SSD Online
- Schools may have more than one SSD Coordinator
 - One SSD Coordinator is designated as Primary and receives all communications from the College Board.
 - Other SSD Coordinators may access SSD Online to input accommodations requests.
- Any schools with an attending institution (AI) code may begin requesting accommodations at anytime.
- Schools who do not yet have an AI code from College Board will need to wait until you receive your AI Code from College Board in December.

Requesting Accommodations for Students with Disabilities

(slide 3 of 3)

- Provide your Primary SSD Coordinator information to the District authorized EEM user so that College Board has your contact information and the information is consistent with the information provided by MDE.
- Detailed webinars about College Board SSD and requesting accommodations for students are posted at the [College Board/Michigan website](http://www.collegeboard.org/Michigan) (<http://www.collegeboard.org/Michigan>)
- An additional SSD webinar will be offered on **January 13, 2016**.

mme

CollegeBoard

Requesting Accommodations – State Allowed

- Schools should request College Board accommodations for all students with the exception of the following accommodations types:
 - Reading content and test questions in the student's native language.
 - Use of a bilingual word-for-word, non-electronic translation glossary for English language learners.
 - Signing of the content and test questions in American Sign Language (ASL).
 - Student responds in American Sign Language (ASL).
- Students who test with one of the above accommodations will NOT receive a college reportable score.
- Requests for State Allowed Accommodations are also submitted via SSD Online by the school's designated SSD Coordinator(s) by **February 16, 2016**.
- These are considered State Allowed Accommodations. More information will be available in Spotlight and included in the accommodations webinar on **January 13, 2016**.

mme

CollegeBoard

Accommodations – Late Requests

- All requests for accommodations should be submitted by the school's designated SSD Coordinator(s) by **February 16, 2016**.
- College Board will support accommodation requests after the deadline for the following types of requests:
 - Students who recently changed schools
 - Students who have recently changed school districts
 - Students who are newly enrolled in the state
 - Students who have been newly classified in a grade 11
 - Students with a new IEP
- College Board will make all efforts to expedite the review of the submission and, if necessary, coordinate the delivery of testing materials needed for the student prior to the initial test date.

mme

CollegeBoard

Accommodations – Late Requests

(slide 2 of 2)

- Should the need for a late accommodation request surface, the SSD Coordinator should:
 1. Submit the accommodation request immediately through the SSD Online system including documentation if applicable.
 2. Contact the College Board Educator Call Center at 866-870-3127 and select option #1. Advise the agent of the newly submitted accommodation request, along with the following:
 - ✦ the reason for the late request
 - ✦ student's information (full name, DOB, AI code)
 - ✦ SSD Coordinator's full name and contact information.
- If upon entering the request in the SSD Online system the SSD Coordinator identifies an existing approved accommodation for the student that matches the intended request, no further action is required.

mme

CollegeBoard

Accommodations and Testing Rosters

- Schools will use Secure Site to create a roster of all students testing.
- The SSD Coordinator should do the following by **March 29, 2016**:
 - Confirm that all students requiring accommodations that were submitted by the February 16, 2016 deadline have been approved for accommodations via SSD Online.
 - Confirm the number of students who will be testing outside of the standard room to finalize room needs, staffing, and scheduling.
 - Review the Non-Standard Accommodations Roster (NAR) within the SSD Online system to verify accommodations. If a student does not have the appropriate accommodations listed on the roster or the NAR contact SSD Support.

Planning for Schedule on Test Days

- Testing time, with administrative tasks included:
 - SAT School Day: 4 hours, 22 minutes
- School schedules will require some adjustments
 - Lunch periods
 - Testing cannot be interrupted for lunch, so lunches must take place after testing is complete
 - Students may eat snacks during breaks
 - Bell schedules
 - Bells must be silenced during test administration
- Other College Board Assessments that are part of MME (PSAT 8/9 and PSAT 10) have different testing times
 - Consider the testing times for all tests being given on April 12th as you plan your school building's schedule

Planning for Testing Rooms

Size of cohort testing and size of rooms used for testing determine number of rooms needed.

- Options for rooms include:
 - Larger spaces, such as auditoriums and gymnasiums
 - Smaller spaces, such as classrooms
- Seating diagrams for different room types are available in Test Center Supervisor's Manual
 - Spacing requirements and furniture requirements
- Location of testing rooms within the building
 - Separated from other classes/tests on different schedules or taking different assessments
 - Minimize noise and other disruptions when classes or other assessments break
 - Area where there will be minimal noise/distractions from outside the building
 - Access to restrooms

mme

CollegeBoard

Seating and Furniture Requirements

- Use chairs with backs.
- Face seats in the same direction.
- Place chairs directly behind those in the preceding row.
- Separate each student by a minimum of four feet from right to left (measure from center of desk).
- Ensure unimpeded access to every student by staff.
- Seat only one student at a table measuring six feet in length or less.
- Seat students at least four feet apart and facing the same direction if tables longer than six feet are used.
- Provide a large, smooth writing surface, preferably desks or tables.
- Tablet-arm chairs must have a minimum writing surface of 12 x 15 inches.
- Study carrels, lapboards, language laboratory booths, and tables with partitions or dividers are not acceptable.

Planning for Staffing Needs

- The size of cohort testing, number of testing rooms and number of students in each room determine number of staff needed.
 - Formulas available in Test Center Supervisor Manual
- Test Day staff requirements
 - Not employed by an outside test-prep company.
 - Have not taken the SAT within 180 days of the administration date.
 - Does not have to be comprised of only teachers.
 - Check with your school/district for their own policies about this.
 - Some schools utilize aides, paras, substitutes, coaches.

mme

CollegeBoard

Staff with Household Members Who Will be Testing

- Staff with children or those who have students residing in the same household cannot have access to any test materials for the same assessment(s) the child is taking before, during, or after test day. For example:
 - If a staff member's child will be taking the SAT, he/she cannot serve as testing staff for the SAT, however he/she may serve as testing staff for PSAT 10 or PSAT 8/9.
 - If an SSD Coordinator has a child who will be taking the SAT, he/she can serve as testing staff in the non-standard room, provided their child is testing in the standard room.
 - It is possible for test day staff to serve multiple roles in a small test center. We recommend the Test Center Supervisor remain in the test room and have the additional test day staff serve the Hall Monitor. However, for large test centers we recommend the Associate Supervisors be in the testing rooms, with appropriate number(s) of Proctors and Hall Monitors. The Test Center Coordinator then can float around the test center, assisting with questions and resolving any issues that may arise.

mme

CollegeBoard

Planning for Staffing Needs (slide 1 of 3)

- Unless your school tests only a few students, you will need additional staff to assist the Test Center Supervisor.
- There should be a minimum of one Associate Supervisor (head proctor) for every 34 students.
- For rooms with more than 34 students, assign additional proctors to help.
- At least one Hall Proctor is needed, but more could be needed depending on the number of testing rooms in use.

Room Proctors Needed
Apply the ratios listed here on a room-by-room basis.
1. Start with one associate supervisor per room.
2. For each room, add room proctors if needed:

Number of Tests (Students)	Number of Proctors
For a Single Standard Testing Room	
1 - 34	0
35 - 69	1
70 - 104	2
105 or more	1 proctor for each additional 34 students
For a Single Nonstandard Testing Room	
1 - 10	0
More than 10	1

Hall Proctors Needed
1. Start with one hall proctor.
2. Add hall proctors if you have more than five rooms.

Number of Rooms	Number of Hall Proctors
1 - 5	1
6 - 10	2
11 - 15	3
16 - 20	4
More than 20	1 proctor for each additional 5 rooms
